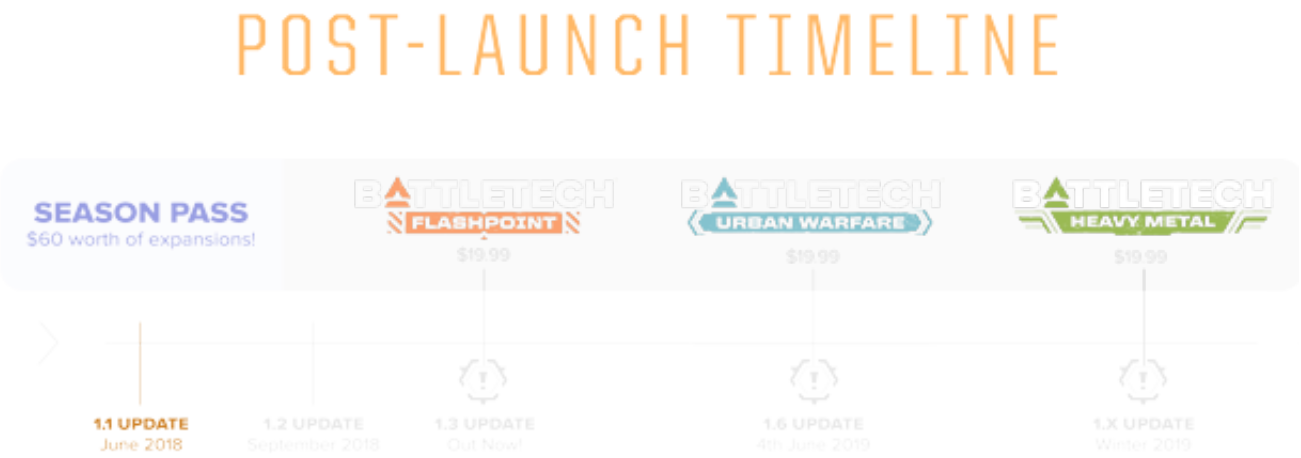
About This Content



The BATTLETECH Season Pass includes Flashpoint, Urban Warfare and the upcoming BATTLETECH expansion Heavy Metal at a discounted price.

BATTLETECH's first-ever expansion adds new gameplay, depth, and over 30 hours of new content to your mercenary experience. Introducing Flashpoints: high-stakes, branching short stories that link together mercenary missions, crew conversations, special events, critical choices, and rare bonus rewards to take BATTLETECH's endgame and Career-Mode gameplay to the next level.

Urban Warfare brings 'Mech combat to the vast cityscapes of the Inner Sphere! Electronic warfare, large-scale building destruction, environmental mechanics, new enemy units and more make the urban sprawl a whole new battlefield.

The third BATTLETECH expansion features a host of new BattleMechs, including several that have been unseen for decades and perhaps a surprise or two…
