The lake is good BUT!! there is a place between 2 small islands where you added some strong ambience . some birds and insects . I do not remember . BUT those ambience NEVER stops and its a bit annoying and unrealistic. They do not cry the same thing forever all the time . Sounds themselves are really nice but . some moderation should be in order .. The lake is good BUT!! there is a place between 2 small islands where you added some strong ambience . some birds and insects . I do not remember .
